

### **Pediatrician for an established physician-owned practice in Wyckoff, NJ**

We are seeking a board certified/board eligible, full or part-time pediatrician for our bustling practice, located in Wyckoff, NJ. Not only is our tight-knit office in quiet suburbia, but our practice is situated in a lovely two-story house in a quaint mixed residential/business district. Wyckoff has excellent schools and affordable taxes. Wyckoff Pediatrics has been in business since 2004 and our award-winning practice is continually growing. We have amazing, well-respected physicians, each having their own following of loyal patients from birth through young/mid-adulthood. Dr. Yazdi, the Managing Partner, started her practice so she could offer more personalized, hands-on services to her patients. We genuinely care for their well-being and growth, both physically and mentally. In addition, our practice is a certified PCMH, integrating ADHD, mental health and care coordination. No in-patient or delivery care required. We are closed on Sundays and major holidays. Saturdays are half days and shared with others. The on-call is every six nights and it's minimal. Call is supported by an after-hours nurse triage service which handles most calls. We offer a competitive salary, a great benefits package, and an opportunity to work with some of the friendliest, knowledgeable, and caring pediatricians in Bergen County.
